

CYCLACEL ANNOUNCES PRICING OF \$20 MILLION PUBLIC OFFERING

April 21, 2020

BERKELEY HEIGHTS, N.J., April 21, 2020 (GLOBE NEWSWIRE) -- Cyclacel Pharmaceuticals, Inc. (NASDAQ: CYCC, NASDAQ: CYCCP; "Cyclacel" or the "Company"), a biopharmaceutical company developing innovative medicines based on cancer cell biology, today announced the pricing of a public offering with expected total gross proceeds of approximately \$20 million, before deducting placement agent fees and other offering expenses payable by the Company.

Roth Capital Partners is acting as the lead placement agent for the offering. Ladenburg Thalmann and Brookline Capital Markets, a division of Arcadia Securities, LLC are acting as co-placement agents for the offering.

The securities offered by the Company consist of (i) 4,000,000 shares of its common stock (or pre-funded warrants to purchase common stock in lieu thereof) and (ii) common warrants to purchase up to 4,000,000 shares of common stock. Each share of common stock and, as applicable, each pre-funded warrant, is being sold together with a common warrant to purchase one share of common stock at a combined effective price to the public of \$5.00 per share and accompanying common warrant, and/or \$4.999 per pre-funded warrant and accompanying common warrant. For each pre-funded warrant the Company sells, the number of shares of common stock the Company is offering will be decreased on a one-for-one basis. The common warrants will be immediately exercisable at a price of \$5.00 per share of common stock and will expire five years from the date of issuance. The shares of common stock and/or the pre-funded warrants, and the accompanying common warrants, can only be purchased together in the offering but will be issued separately and will be immediately separable upon issuance. The offering is expected to close on April 23, 2020, subject to customary closing conditions.

A registration statement relating to these securities has been filed with the Securities and Exchange Commission (the "SEC") and was declared effective on April 20, 2020. A final prospectus relating to the offering will be filed with the SEC and will be available on the SEC's web site at www.sec.gov. Copies of the final prospectus relating to this offering may be obtained, when available, by contacting Roth Capital Partners, LLC, Attention: Equity Capital Markets, 888 San Clemente Drive, Suite 400, Newport Beach, California 92660, by telephone at (800) 678-9147 or e-mail at rothecm@roth.com.

This press release shall not constitute an offer to sell or the solicitation of an offer to buy nor shall there be any sale of these securities in any state or jurisdiction in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such state or jurisdiction.

About Cyclacel Pharmaceuticals, Inc.

Cyclacel Pharmaceuticals is a clinical-stage biopharmaceutical company developing innovative cancer medicines based on cell cycle, transcriptional regulation and DNA damage response biology. The transcriptional regulation program is evaluating fadraciclib as a single agent in solid tumors and in combination with venetoclax in patients with relapsed or refractory AML/MDS and CLL. The DNA damage response program is evaluating an oral combination of sapacitabine and venetoclax in patients with relapsed or refractory AML/MDS. An IST is evaluating an oral combination of sapacitabine and olaparib in patients with BRCA mutant breast cancer. The anti-mitotic program is evaluating CYC140, a PLK1 inhibitor, in advanced leukemias/MDS patients. Cyclacel's strategy is to build a diversified biopharmaceutical business focused in hematology and oncology based on a pipeline of novel drug candidates. Forward-looking Statements

This news release contains certain forward-looking statements that involve risks and uncertainties that could cause actual results to be materially different from historical results or from any future results expressed or implied by such forward-looking statements. Such forward-looking statements include statements regarding, among other things, the efficacy, safety and intended utilization of Cyclacel's product candidates, the conduct and results of future clinical trials, plans regarding regulatory filings, future research and clinical trials and plans regarding partnering activities. Factors that may cause actual results to differ materially include the risk that product candidates that appeared promising in early research and clinical trials do not demonstrate safety and/or efficacy in larger-scale or later clinical trials, trials may have difficulty enrolling, Cyclacel may not obtain approval to market its product candidates, the risks associated with reliance on outside financing to meet capital requirements, and the risks associated with

reliance on collaborative partners for further clinical trials, development and commercialization of product candidates. You are urged to consider statements that include the words "may," "will," "would," "could," "should," "believes," "estimates," "projects," "potential," "expects," "plans," "anticipates," "intends," "continues," "forecast," "designed," "goal," or the negative of those words or other comparable words to be uncertain and forward-looking. For a further list and description of the risks and uncertainties the Company faces, please refer to our most recent Annual Report on Form 10-K and other periodic and other filings we file with the Securities and Exchange Commission and are available at www.sec.gov. Such forward-looking statements are current only as of the date they are made, and we assume no obligation to update any forward-looking statements, whether as a result of new information, future events or otherwise.
